

# AAA University Taxi

Your Friendly Taxi Service

## Services

**AAA University Taxi Service** is second to none in the twin cities (Bryan and College Station) metropolitan area. Our services cover the entire Texas cities and towns including every airport. We have been serving the citizens and our fellow Aggies since 1990.

We stand above our competitors when it comes to serving the customers with respect and care. We have rich and un-brittle knowledge of the two cities and the campus as well. We are familiar with every building on campus and don't depend on the customer for directions.

We offer taxi services **24/7**.

Pick-up and Drop Off schedules are available to and from service between any city or location within the state of Texas.

We only run with new models of vans and cars. Our vehicles are clean, non-smoking, and always in excellent conditions.

## Service Areas

Welcome one more time to the second oldest taxi service in the Brazos Valley area. We have been rendering the greatest services to the citizens and our fellow Aggies since 1990.

Safety and punctuality is our main driving force. We use the latest model of vans and cars. We are capable of responding to your call between 15-30 minutes in the surrounding cities. We do go out of town 24/7 in the entire State of Texas. We are not new kids on the block like others who purposefully hyper-stimulate their services through false names and copycats.

We cover all major cities including Houston, Austin, San Antonio and Dallas.
